Guest Speakers

Cllr Edgell reported that the initial works to improve the link road have started with the consideration of the planting scheme. He suggested that Swimbridge Parish Council consider what improvements could be made to the main road through the village ready for when the link road is either closed for roadworks, or traffic use it as a rat run to avoid the roadworks. This would be an opportunity to improve the parking situation at the school. Agenda this as an item for the next meeting.
