There are a few problems at Archipark –

- 1. No 4 is empty and has large Lleylandi hedges which are out of control. Clerk to report to Housing at the District Council.
- 2. The garages which were purchased privately are now derelict. Clerk to report to Environmental Health.

The drains at the link road bridge were emptied, but the workers reported to Cllr Knill that the holding tanks at the side of the road are both full, so the drains will block up again as soon as it rains. Clerk to report this to Highways. The clerk will also report the drain blocked by the bus stop.

Queens Jubilee Celebrations – A query will be put out on Facebook forum to see if anyone is interested in organising a joint event with Landkey.
